Tribetokes CBD

"About TribeTokes\nTribeTokes creates luxury CBD vape oils, skincare, and wellness products for the next generation cannabis consumer - who respects plant science, consumes mindfully, and expects top-quality products from trusted brands. We are dedicated to elevating the acceptance & aesthetics of the industry and celebrating its thriving community"

"Cannabinoids such as CBD can improve quality of life for so many people in a variety of ways. Unfortunately, these products are not covered by health insurance, and prices of premium cannabis extracts are not accessible for all - including those who may need them most.\n\nTribeTokes has partnered with Dr. Lynn Parodneck to help close this gap by connecting patients in need with free CBD products. Dr Parodneck is offering a certain number of free personalized educational evaluations each month (\$350 value) to select patients who qualify, and TribeTokes is donating the products they need free of charge. Dr. Parodneck is one of the leading medical marijuana practitioners in New York State.\n\nYou may qualify for this program if you meet the following criteria:\n\nQualifying conditions: see examples below\n\nHousehold Income under \$40,000\n\nor U.S. Veterans" The Tribetokes Brand is one of our sponsor to our Robin Hood Cbd Project.

We recently caught up with the workaholic Queens we're happy to inform our readers that the Queens are launching their Adult Recreational Brand! Stay Tuned for more on the Women in NY Cannabis.
